

Geek Expo Accessibility Statement

At Geek Expo, we are committed to making our events welcoming and accessible to all attendees, guests, performers, and staff. We strive to provide an inclusive environment that accommodates a wide range of accessibility needs.

1. Accessibility Features

- **Venue Accessibility:** We select venues that are wheelchair accessible and have accessible restrooms.
- **Visual and Auditory Accessibility:** We aim to provide clear signage, and other aids to assist attendees with visual or hearing impairments.
- **Mobility:** We make every effort to provide accessible pathways, seating, and areas for all activities.

2. Attendee Responsibilities

To help us accommodate your needs, please notify us in advance if you require any specific accessibility services or have mobility concerns. This allows us to make arrangements to ensure you have a safe and enjoyable experience.

3. Limitations

While we do our best to make the event accessible, please note that:

- Outdoor areas may be affected by weather, which can result in mud or uneven surfaces.
- Not all areas may be fully accessible due to venue limitations.
- Some accommodations may require advance notice.

4. Contact Information

If you have questions about accessibility, need to request accommodations, or would like to provide feedback, please contact us:
